Welcome to the Graduate Program Alumni Survey. Thanks for agreeing to participate!

This survey asks about the quality and impact of your experiences in graduate school. The survey asks you to evaluate the long-term impact of your graduate education on your critical thinking, problem-solving, and other important skills. Finally, the survey asks about employment, satisfaction with your graduate program, and the extent of your debt from graduate school.

Your participation is completely voluntary, and there are no penalties if you decide not to participate or if you choose to skip any questions. All of your responses are strictly confidential. At no time will your responses be publicly linked with your name or any other identifying information.
