Dear Charlie and Kathy,

Thank you for submitting documentation in support of your request for a continuation of the following IRBs:

- Advanced Degree Students Sexual Assault Campus Climate Survey (IRB# 1910111).
- Alumni Survey (IRB # 1610401)
- Diversity and Equity Campus Climate Survey (IRB# 1712401)
- Faculty/Staff Survey of Campus Climate for Sexual Violence (IRB#1510404)
- Research Practices Survey (IRB # 1610403)
- Senior Survey (IRB# 161402)
- Undergraduate Sexual Assault Campus Climate Survey (IRB# 1610404)

Since you have reported that there are no significant changes to the instruments or administration processes for these surveys, a continuation is approved.

Please include the date of this letter as the approval in documents associated with this research.

Also, please notify the IRB Chair to request any changes to these protocols, and to report any adverse events associated, or potentially associated, with participation in these studies.

Expedited protocols do not require annual requests by PIs for continuation if your research continues for more than one year. However, please notify the IRB Chair once your data collection is complete, so that we can close the records on your project.

Best wishes for continued success in your research.
